

Over the Rainbow

with film, dance and live music **Sunday, June 14th at 8:08pm**

*When all the World is a hopeless jumble, and the raindrops tumble all around,
heaven opens a magic lane.*

*When all the clouds darken up the skyway, there's a rainbow highway to be found,
leading from your windowpane to a place behind the sun, just a step beyond the rain.*

Waiting for it.

Whatever it is.
